Clinic Hours: Monday – Friday 8:00 am to 5:00 pm

Agency Missions Statement

The Tehama County Health Services Agency is committed to a healthy community through the use of health education, prevention, assessment, early intervention and treatment with follow-up when necessary. We are committed to the delivery of culturally competent, cost effective services that recognize the rights of residents, encourage their active participation and protect confidentiality.

We believe in an integrated service delivery system within the Agency and through cooperative partnerships with other public and private agencies, as well as the residents at large.
