ETHICS TRAINING

On October 7, 2005 the Governor signed Assembly Bill 1234 requiring that if a local agency provides any type of compensation, salary, or stipend to, or reimburses the expenses of a member of its “legislative body” that local agency’s officials must receive training in ethics.

This is a self-serve training program. It is your obligation to print a certificate and provide it to the PHAB Liaison in a timely manner.

The PHAB Liaison will also coordinate a training to be held once every two years for members to have the opportunity to take the training all at once in a group setting. Those who do not complete the group training will be required to take the training on their own time and submit their certificate in a timely manner.

The training may be accessed online: <http://localethics.fppc.ca.gov/login.aspx>
