Childcare, pets/livestock Do you have a go-bag ready? Is there one in your car?	

	<p>FEMA has resources available online Coalition has been in place for 15 years. CMS funding has required healthcare facilities to actively participate in emergency preparedness. Focus on providing training and education to our region, both partners and healthcare facilities.</p> <p>Exercise and practice, locally and regionally; law, fire, EMS and hospital May: TCSO shelter setup exercise Active Shooter, chemical spills, etc.</p> <p>RDMHS: Patti Carter held some meetings within the region; tribal, schools and faith-based. She was searching for input from everyone on how to coordinate better.</p> <p>Use daylight savings time to change smoke alarm batteries to update your emergency kits.</p> <p>Go-bags that would supply 4 people for 3 days were distributed through a partnership with DSS for their Access and Functional Needs clients and we also provided to clients on the California Children's Services Medical Therapy Program. Connected Living is getting 1,000 go-bags and maybe funding for additional bags for Tehama County. A local bank might also be providing more funding for more go-bags.</p> <p>Stop the Bleed classes available to learn how to use a tourniquet and respond to wound care until EMS arrives. Contact Ruth Ann to schedule at Ruth.Rowen@DignityHealth.org</p>	
Public Health	<p>Staffing: Janet Gutierrez took a position at Contra Costa County. Kayla Lusk went to Mercy Medical Center Redding. Open positions; Community Health Education Supervisor, Health Educator, Office Assistant Supervisor, Office Assistant, Nutrition Assistant, and Nurses.</p> <p>Integration still in the process but infrastructure need to be made first.</p>	

	<p>Val has been actively involved in the homelessness issue and how the funding should be used. Val has been convening the partners to direct funding on outreach and mobile crisis response for behavioral health to do more assessments. What should that look like and how to best accomplish the goals to meet community needs.</p> <p>Planning for Public Health Week. This year is the 25th anniversary of Public Health Week. With St. Elizabeth Community Hospital's assistance we are hosting a Provider Conference to discuss STDs, immunizations, tuberculosis and emergency preparedness. There is a guest speaker coming from CDPH to discuss STDs as well as one to discuss Tuberculosis. We are in the process of working with Dignity Health to get CMEs for providers. Tehama County Health Officer, Dr. Richard Wickenheiser is facilitating the discussions. We are one of few counties who treat latent TB and there will be a good discussion around tuberculosis. This event will be on Saturday, April 4th from 10-3 at Red Bluff Community Center. Please register online: https://tcproviderconference2020.eventbrite.com</p> <p>Working on moving towards an electronic health record system and apply to be a Medi-cal provider. Hoping to provide electronic/remote DOT similar to telehealth. CAIR; currently there is no mandate for pharmacies to enter vaccinations into the database. If you do get a vaccine done at the pharmacy and they don't enter it you can bring the paperwork to your doctor or Public Health and it can get entered. We want to increase outreach to pharmacies. Jean suggested to invite pharmacists to the conference.</p> <p>Vaping forum 2/19 11:30-1 for parents. Tobacco program is only focused on Tobacco, not on marijuana.</p>	
Dept. of Social Services	Under staffed.	
Dignity Health Connected Living	Tina will present at Association for hospitals in a few weeks. Getting lots of requests for presentations. Have delivered about half the go-bags and there	

	is a wait list. Looking for more funding to help serve Tehama County. 164 seniors were adopted in Tehama County during the holiday season Adopt-A-Senior campaign. About 100 were adopted by hospital staff. Most referrals came from meals on wheels, some senior center referrals and Corning Healthcare district and veteran's office.	
Dignity Health St. Elizabeth Community Hospital	Kristine Keubli resigned from her position with Dignity Health. Jeannette is filling in for PHAB duties.	
Empower Tehama	Change in staffing and down to a part-time attorney. More remodeling being done on Walnut street. Some awareness trainings provided in January in regards to human trafficking; collaborated with law enforcement and educators. New legislation being passed.	
Greenville Rancheria	Low staffing. Just acquired the old blue shield building out on Antelope.	
NCCDI	Had Parent's Choice Conference last week. Over 100 families participated, this was the most successful one they have had. Public Health sent toothbrush kits to NVIH to distribute.	
Rolling Hills Clinic	New administrator coming aboard. Looking for providers, lots of openings. Developing a new emergency preparedness plan with IHS to include the tribe. Revamped the events committee and would like to get more participation at more community events.	
Committee Reports Executive Dental	Completed Review of the bylaws. Discussed membership and recruitment. Discussed staggered terms and provided suggested changes. Members agreed to move forward. Dr. Seuss week beginning on March 2, 2020. Mary is working to get readers into the schools and read books that promote oral health. There are Dr. Seuss hats to wear while you are reading. Kids will receive toothbrush kits and books. Then will work with medical providers who do CHDP exams to	Ashley to bring updated term dates for members to sign If you would like to participate and read to students please email

<p>Safe Sex After Fundamental Education</p>	<p>promote the campaign; Book, Brush, Bed from American Academy of Pediatrics. High school students will also be helping. Mary has a schedule for the whole week. If interested; please email Mary Jacobson. Schools do not require background checks for the volunteers. Tina will see if she can get RSVP members to volunteer.</p> <p>Discussed which schools are and those that are not providing sex education. There is a current rise in planned teen pregnancies because they believe the child will keep their relationship intact. Rise in home visiting referrals for young moms. Good attendance from school nurses at our last meeting. Teen Health Week in April and Salisbury High School is having a health fair on April 3rd. Rolling Hills Clinic is hoping to have FamilyPACT services starting in March.</p>	<p>Mary.Jacobson@tchsa.net.</p>
<p>Discussion and Action Minutes 12/05/2019</p>	<p>Minutes from 12/05/2019 were reviewed. Correction made; Sharon opened the meeting. Linda motioned to approve the minutes. Tina seconded. All in favor. No opposed.</p> <p>PHAB Annual Report for 18/19 was reviewed. Linda motioned to approve the Annual Report. Carla seconded. All in favor. No opposed.</p> <p>Reviewed changes to bylaws; will vote on approval at March meeting.</p> <p>Delta Dental Grant. Have you seen commercials for teens to get braces and they apply for a program who connects to a local dentist.</p> <p>Dental Proclamation was for Dental Health Month in February but it is too late to get it on Board of Supervisors agenda</p>	<p>Ashley to update agendas to include Omar.</p> <p>PHAB Annual Report 18/19 approved.</p> <p>Final review and approval of bylaws at March meeting.</p>
