

RFP-BH-20-01

The following question was sent to TCHSA-BH on Thursday October 22, 2020

Question from Victor Treatment Centers:

Could you please confirm that only a single proposal is necessary if an organization is applying to serve both the TAY and Children's Services. The RFP does not specify that two separate proposals are required, only that the proposal clearly addresses services specific to each group.

Answer from TCHSA-BH:

Your interpretation is correct. You only need to submit one when applying to serve both age groups, TAY and Children's Services. You will also need to clearly address services specific to each group.

Do you have additional questions?

If you have additional questions, you can submit them to Brandon Arnold at brandon.arnold@tchsa.net. Those questions will be answered, and the answers will be emailed to all who attended the Mandatory Bidder's Conference. That information can also be found on the TCHSA website. TCHSA can not guarantee that questions submitted after November 10, 2020 will be answered.
