Interim Provider Directory**

An updated, more easily searchable version of this provider directory will be available in electronic form soon.

To search for a particular name or specialty, please use the search function in the browser, or download this document and use the search function in the pdf reader software being used.

MHP Notation: Services may be delivered by an individual provider, or a team of providers, who is working under the direction of a licensed practitioner operating within their scope of practice. Only licensed, waived, or registered mental health providers and licensed substance use disorder services providers are listed on the provider directory.

DMC Statement: DMC county members have the right to obtain covered services from any enrolled and DMC-certified provider, even if that provider is not listed in the provider directory.

Directory last updated: June 4, 2026.

This directory is updated no later than 30 calendar days after updated Provider Information is received, and no less often than quarterly.
