No-Cost Drive Through Flu Clinic

Get the vaccine, not the flu. It's simple – just drive through!
Protect yourself and your loved ones from the flu! Tehama County Health Services Agency -Public Health is hosting a No-Cost Drive Through Flu Clinic on October 17, 2026, in Red Bluff, CA. This is your opportunity to stay healthy and reduce your chances of getting the flu this season.

Date: October 17, 2026
Time: 9:00 am to 12:00 pm
Location: 1850 Walnut Street
Government Center Parking Lot

Important Information:

Flu Shots for All Ages: According to the Centers for Disease Control & Prevention (CDC), the flu can lead to serious illness and even death. To safeguard your health, it is recommended that everyone ages 6 months and older receive a yearly flu vaccine. Pregnant women are also strongly encouraged to get vaccinated.

Dress for Success: Please wear loose-fitting clothing that allows easy access to your upper arm. This will ensure a swift and comfortable vaccination process.

No Animals Please: For the safety and comfort of all attendees, please do not bring your pets to the clinic. Flu vaccinations cannot be administered if there is a pet in the vehicle.

No High-Dose Vaccines: The high-dose vaccine will **NOT** be offered at this clinic. Please reach out to your doctor or pharmacist if you would prefer a high-dose vaccine to see if you are eligible.

No COVID-19 Services: Please note that this clinic will focus solely on flu vaccines. There will not be COVID-19 testing or vaccines available on-site.

No Pneumonia Vaccines: Unfortunately, pneumonia vaccines will not be available. Your health matters and taking this simple step can make a significant difference in staying well during flu season. Remember, getting vaccinated not only protects you but also helps prevent the spread of the flu in our community. Let's work together to keep our friends, families, and neighbors healthy!

Funding for the drive-thru flu clinic is provided by the California Department of Public Health's Emergency Preparedness and Pandemic Influenza Programs.
